KUALA LUMPUR 5th February 2026 – Volkswagen Passenger Cars Malaysia (VPCM) today launched the Golf R-Line to the Malaysian market, following its preview alongside the launch of the new Golf GTI last year.

As part of the launch special, the Golf R-Line is offered with an attractive early bird pricing of **RM179,990** for the first 50 owners. This is inclusive of VAP which covers 5 years free maintenance, 5 years mileage warranty and 5 years complimentary roadside assistance.

Media Information

The start of sales for the Golf R-Line further strengthens Volkswagen's Golf line-up in Malaysia, complementing the performance-driven Golf GTI while offering customers a lifestyle-oriented alternative that balances comfort, versatility and dynamic presence.

The Golf R-Line offers mild-hybrid efficiency with its **1.5 eTSI (mHEV) turbo engine** (150PS, 250Nm), contributing to better fuel economy and a more planted driving experience. A **7-speed DSG transmission** ensures a smooth, effortless driving experience, synonymous with the Golf name.

Exterior: Modern and Aerodynamically Designed

Locally assembled at the Volkswagen plant in Pekan, the Golf R-Line features **refined underbody panels and aerodynamic enhancements** that improve airflow, stability and fuel efficiency.

Its sharper lines define a more expressive, modern look from the front, with a new front bumper as an additional identifying feature.

IQ.LIGHT LED matrix headlights incorporate a new high-performance main beam. The redesigned IQ.LIGHT 3D LED taillight clusters, paired with dynamic turn signals and animated rear graphics add an extra element of style to function. A new highlight is the illuminated Volkswagen on the front bumper.

The Golf R-Line rides on 'Coventry' alloy wheels – a newly introduced design to the Malaysian market.

Colour options are Oryx White, Moonstone Grey, Grenadilla Black, Kings Red, and Anemone Blue.
